MEMORANDUM FOR: Mr. Frank Hand  
Office of the Secretary of Defense

SUBJECT : Vietnam Memorandum

Attached are two copies of a memorandum entitled, "The Vietnam War: What Lies Ahead?" Copies will probably come to Laird and Packard through normal distribution channels. For protocol's sake, however, will you please pass one of the attached directly to Laird and one directly to Packard noting that I had wanted to be certain that each promptly received a personal copy.

George A. Carver, Jr.  
Special Assistant for Vietnamese Affairs
